STTI Scholarship Program

STTI has chosen to make a scholarship program available to provide service to an underserved community and to educate qualified professionals with minimal financial resources. This scholarship will assist by providing partial funding for mental health professionals and other healthcare providers working primarily with an indigent population or clients with an income at or below poverty level.

Eligible applicants are licensed, registered, or certified mental health professionals (i.e. LMFT, LPC, LCSW, LMHC); interns in the process of pursuing licensure, or the equivalent in their country of residence; or individuals who can offer something unique to their community. Scholarship candidates must demonstrate a financial need and be able to identify how they will utilize the training to the betterment of the community they are serving.

STTI will award from \$500 to \$3,875 grant towards the \$7,750 tuition to the award recipient. The scholarship committee will evaluate the applicants and decide on the amount to be awarded. All recipients are responsible for the remaining tuition, which may be paid in monthly or quarterly installments.
