Certification Process, Standards and Requirements Overview

Certification is a designation awarded to individuals who demonstrate their competency in a given field. Competency is achieved through a combination of education and experience. In order to apply for the Certified Addiction Counselor (CAC) credential, applicants must provide verifiable documentation that demonstrates he or she has the specified educational and experiential background necessary for certification.

This Certified Addiction Counselor (CAC) Candidate Guide for Application provides policy requirements and standardized forms designed to assist the applicant to gather mandatory documentation. Some of the forms are to be completed by the applicant and provided directly to the FCB via the electronic application portal or mail; some of the forms are to be provided to former employers, supervisors, personal references, or others to complete and mail directly to the FCB on behalf of the CAC applicant. Forms mailed to the FCB will be uploaded to the applicant’s electronic file by the assigned certification specialist. Each form indicates the individual who must complete the document.

Please carefully read this document PRIOR to applying for certification as it includes information on certification application, award and maintenance process, policy and mandatory forms.

Application Submission Options

The Florida Certification Board accepts both electronic and hard-copy applications for certification. Throughout this document, you will find directions for both on-line and hard-copy application.

The preferred method of application is electronic, via our on-line portal. There is a $25 data entry fee for all hard-copy submissions.

- Individual’s submitting electronic applications are encouraged to print out a hard copy of all applicant-completed forms to use as a worksheet prior to entering data on-line. Additionally, on-line submission requires the applicant to upload specified supporting documentation to the system. For additional assistance in electronic submission, please contact our offices at 850-222-6314.

- Individual’s submitting hard-copy applications are encouraged to make a complete photocopy of the application, including all supporting documentation, prior to submitting the application to the FCB. Hard-copy applications, including all supporting documentation, will be entered into the FCB electronic database by certification specialists.

A valid email address is required for both on-line and hard-copy application submissions.
Description of a Certified Addiction Counselor (CAC)

International Certification and Reciprocity Consortium (IC&RC)
Alcohol and Drug Counselor (ADC) Credential

The Florida Certification Board is a proud member of the International Certification & Reciprocity Consortium (IC&RC). The IC&RC is a not-for-profit voluntary membership organization comprised of certifying agencies involved in credentialing or licensing alcohol and other drug abuse counselors, clinical supervisors, prevention specialists, co-occurring disorders professionals and criminal justice professionals.

IC&RC and its members are committed to public protection through the establishment of quality, competency-based certification programs for professionals engaged in the prevention and treatment of addictions and related problems. The IC&RC also promotes the establishment and recognition of minimum standards to provide reciprocity for certified professionals. Individuals who hold IC&RC credentials are able to transfer their credentials to any of the IC&RC’s 73 member organizations.

The FCB offers two IC&RC credentials:
- IC&RC Alcohol and Drug Counselor (ADC) credential
- IC&RC Prevention Specialist (CPS) credential

Certified Addiction Counselor (CAC) applicants are eligible to earn IC&RC’s Alcohol and Drug Counselor (ADC) credential. The minimum standards required for IC&RC ADC certification are met when the applicant has an approved CAC certification application, including additional IC&RC training hours, AND has earned a passing score on the IC&RC ADC exam.

To apply for the IC&RC ADC Credential, complete the following steps:

2. Register for the IC&RC ADC exam. The fee is $185 per IC&RC test attempt. Exam approval and registration procedures are exactly the same as for the FCB required exams as described in this guide.

3. Complete the annual renewal process. IC&RC ADC credentials renew on June 30th of each calendar year, in conjunction with the CAP credential. The fee is $35 per year.

Part 1: The Certification Process

Earning a professional credential is a multi-step process; applicants have a maximum of 12-months to earn certification. The 12-month period starts on the day the Certification Application and fee(s) are received at the FCB office.

The FCB will provide eligible applicants with directions to continue if the “out-of-time” date is reached.

Application Methods

We offer two ways to apply for your certification.

Online Electronic Certification Applications

Our preference is that you apply online using the FCB Application Portal. Online applications offer the quickest processing time and are most cost effective.

You can access the FCB Portal on the home page of the FCB website at www.flcertificationboard.org. Click on the bar that says “Ready to Apply” to access the online application system. If you are using the system for the first time, you will be required to complete a brief registration process prior to completing the certification application online.

This Candidate Guide for Application contains the FCB required forms, which should be used as worksheets for completing the online application fields of information. The Certification Application form is built into the online system, but all other forms have to be

1. downloaded,
2. filled-out,
3. saved as an electronic file, and
   a. uploaded into the system (if submitted by the applicant) or
   b. submitted via email or mail by the person responsible for completing the form.

The applicant is responsible for completing and submitting the Certification Application (online) and uploading the Training Verification Form (and supporting documents) into the online application system at the time of application.

It is important to note that, at this time, the applicant cannot “save” an incomplete application in the system and fill it out in several sessions; please do not begin the application process until you have
the data needed for the Certification Application, the completed Training Verification form, and the
supporting training documents (CEU certificates, etc.).

The forms that are completed by supervisors, persons making recommendations, and work verification
are uploaded and attached to your online application by an FCB Certification Specialist once they are
received. A Guidebook for Online Certification Application is available on the FCB website to help you
navigate the system and processes.

Download, Print and Mail

If you choose to submit your application in hard-copy format, the application
forms are available as editable PDF documents. Visit the FCB website to download
the forms. Here are the steps:

1) Locate and save the appropriate form(s) to your desktop;
2) Open the file and fill in the information using the fields provided;
3) Print and verify application is complete before mailing.

It is preferred that the forms be typed instead of completed by hand. **There is an additional $25
processing fee for all hard-copy submissions.**
**Step 1: Certification Application**

Your certification application requires you to document your education, training, experience and other specified indicators of competency. Each requirement must be documented according to FCB policies and procedures, using FCB official forms.

Please be aware that you must seek out current and prior employers, education providers, and references that will provide documentation and verification to support your certification application: *these persons must submit information directly to the FCB by email, fax or mail*. Unless specified, the FCB will not accept forms and/or documentation that are completed and/or submitted by the certification candidate.

The following forms must be received and approved by FCB certification staff via the on-line application portal email or hard-copy mail, as specified below.

Training documentation must provide the following information:

- Applicant’s Name
- Title of course/training/educational event*
- Event sponsor/provider
- Delivery date(s)
- Number of Contact Hours

*If the event title does not clearly identify the instructional content, please attach an official description of the event, such as an agenda or syllabus.*

Partial-day, Full-day and Multi-day training events are credited for instructional time only. Breaks are deducted from the total hours claimed. *If the total credit hours are not listed on the certificate, attach a copy of the training agenda.*

Conferences are credited for break-out session and plenary sessions only. Breaks are deducted from the total hours claimed. Please attach a copy of the conference program to your application.

**FCB Accept/Deny Criteria:** Content-specific training will be approved if the training documentation includes all required information; the training was completed within the last 10 years; and there is a clear link between the training event and the content-specific training requirement. Each requirement is verified individually.

Failure to meet these requirements will result in the denial of the training event for certification purposes. If possible, applicants have a maximum of 12-months from the date the certification application and fee is received by the FCB to resolve issues and earn certification.

See Part 3: Sample Training Topics by Domain for examples of eligible content-specific training.
Related Work Experience Requirement

**Requirement:** CAC applicants must complete and document a minimum number of hours of paid experience providing addiction related services at the level expected of a CAC.

Work experience requirements vary based on the applicant’s formal education.

The applicant’s current or former employer’s personnel officer or designee completes Part 2 of the form and attaches supporting documentation describing the duties and tasks performed by the applicant, such as a position description. **How to Calculate Related Work Experience Hours:**

Full-time work is credited at the rate of 40 hours per week; 1,040 for 6 months; or 2,080 for 1 year.

Part-time work is credited on an hour-for-hour basis.
**FCB Accept/Deny Criteria**: Related work experience will be approved if the Form is completed in full, a position description/narrative of duties is provided; work experience was performed within the last 10 years, and there is a clear link between the duties performed and the duties expected of a CAC.

Failure to meet these requirements will result in the denial of the related work experience for certification purposes. If possible, applicants have a maximum of 12-months from the date the certification application and fee is received by the FCB to resolve issues and earn certification.
**Direct Supervision Requirement**

**Requirement:** CAC applicants must complete and document a minimum number of hours of on-the-job supervision by a qualified supervisor, with a minimum number of supervision hours in each performance domain as follows.

On-the-Job Supervision requirements vary based on the applicant’s formal education.

- **High School Diploma/GED:** 300 hours; must include a minimum of 16 hours per performance domain.
  *(Clinical Evaluation, Treatment Planning, Referral, Service Coordination, Counseling, Client/Family/Community Education, Documentation, and Professional and Ethical Responsibilities)*

- **Associate/Vocational Degree or higher:** 150 hours; must include a minimum of 8 hours per performance domain.
  *(Clinical Evaluation, Treatment Planning, Referral, Service Coordination, Counseling, Client/Family/Community Education, Documentation, and Professional and Ethical Responsibilities)*

All on-the-job supervision must have been completed within the last 10 years.

**Definition of a Qualified Supervisor:** For certification purposes, a qualified supervisor is an individual who holds any of the following credentials:

- License under Chapter 458, Florida Statutes
- License under Chapter 459, Florida Statutes
- License under Chapter 464, Florida Statutes
- License under Chapter 490, Florida Statutes
- License under Chapter 491, Florida Statutes
- Certified Addiction Professional (CAP)

*Supervision provided by a relative, any person sharing the same household, or any person in a romantic, domestic, or familial relationship with the applicant is not acceptable* toward fulfillment of certification requirements.

**How to Document:**

- **Electronic Submission:** The applicant does not enter any data into the system to satisfy this requirement. All activity occurs according to the hard-copy submission guidelines. Certification staff uploads received On-the-Job Supervision Verification forms to the applicant’s electronic file.

- **Hard-copy Submission:** The applicant completes Part 1 of the On-the-Job Supervision Verification form. Each qualified supervisor will complete Part 2 of the form. *If multiple qualified supervisors need to be contacted to document all hours, provide a separate form to each qualified supervisor.*
To document the on-the-job supervision provided to the applicant, the qualified supervisor must maintain employer based documentation, as defined below.

**Employer-based documentation:** Qualified supervisors must document supervision according to agency protocol. These supervision records are maintained by the employer and are not submitted to the FCB with the on-the-Job Supervision Verification form. Employers are required to maintain supervision records that support the information documented in the FCB’s Supervision Verification Form in case of audit.

**On-the-Job Supervision Verification Form:** Each qualified supervisor who provides supervision for certification purposes must complete an On-the-Job Supervision Verification Form. Collectively, the On-the-Job Supervision Verification Forms must document completion of the total On-the-Job Supervision requirements.

The applicant may not complete any part of the form, except Part 1. It is FCB policy that this form is only completed by the individual who provided the applicant’s on-the-job supervision.

The applicant may not submit the completed form and/or any supporting documentation to the FCB: all materials must be submitted directly to the FCB via email or mail by the individual completing Part 2 of the Form: the FCB will not accept On-the-Job Supervision Verification documentation completed and/or submitted in part or whole by the applicant.

**Subject Line:** On-the-Job Supervision (applicant name)

**How to Calculate On-the-Job Supervision Hours:**
Supervision hours must be reported as documented according to agency protocol. Do not report supervision hours in increments of less than 15-minutes.

**FCB Accept/Deny Criteria:** On-the-job supervision will be approved if the Form is completed in full, the supervision was provided by a qualified supervisor; the minimum number of required hours of on-the-job supervision are documented in each performance domain; supervision was provided within the last 10 years; and, if audited, employment records support reported supervision hours.

Failure to meet these requirements will result in the denial of the on-the-job supervision hours reported for certification purposes. If possible, applicants have a maximum of 12-months from the date the certification application and fee is received by the FCB to resolve issues and earn certification.
**Recommendation for Certification Requirement**

**Requirement:** CAC applicants must have three (3) *Professional Recommendation for Certification forms* on-file.

**Definition of a Professional Recommendation:** For certification purposes, a professional recommendation is provided by an individual who has direct knowledge of the applicant’s on-the-job performance as an Addiction Counselor. The professional recommendation should discuss the applicant’s work performance as it relates to the role and expectations of a Certified Addiction Counselor (CAC). While the recommendation will discuss the applicant’s personality, statements should refer to performance of duties related to addiction counselor services. While teamwork, experience and work ethic are the types of things discussed, the recommendation should give the FCB an idea of the type of individual applying for certification as an Addiction Counselor.

Individuals providing a professional recommendation must be in a non-peer or non-subordinate position to the applicant. Typical individual’s eligible to provide a Professional Recommendation for Certification include the applicant’s immediate supervisor or any other agency supervisor, trainers, mentors, quality assurance staff, and any other agency management or leadership staff.

*A Professional Recommendation for Certification may not be provided by a relative, any person sharing the same household, or any person in a romantic, domestic, or familial relationship with the applicant.*

**How to Document:**

**Electronic Submission:** The applicant enters the names of the individuals who are expected to submit recommendations for tracking purposes only. All other activity occurs according to the hard-copy submission guidelines. Certification staff uploads received *Recommendation for Certification forms* to the applicant’s electronic file.

**Hard-copy Submission:** The applicant completes Part 1 of the *Recommendation for Certification form*. Each individual providing a Recommendation for Certification will complete Part 2 of the form. Provide a separate form to each individual providing a recommendation.

The applicant may not complete any part of the form, except Part 1. It is FCB policy that this form is completed by the applicant’s employer’s personnel officer or designee only.

The applicant may not submit the completed form and/or any supporting documentation to the FCB: all materials must be submitted directly to the FCB via email or mail by the individual completing Part 2 of the Form: the FCB will not accept *Recommendation for Certification forms* and/or supporting documentation completed and/or submitted in part or whole by the applicant.

**FCB Accept/Deny Criteria**: Recommendations for Certification will be approved if the Form is completed in full and submitted to the FCB by an individual qualified to provide the recommendation. Failure to meet these requirements will result in the denial of the Recommendation for Certification Form. If possible, applicants have a maximum of 12-months from the date the certification application and fee is received by the FCB to resolve issues and earn certification.
Step 2: Examination Process

**Requirement:** The CAC credential requires successful completion of the FCB’s Certified Addiction Counselor (CAC) exam. CAC applicants seeking international certification must also pass the International Certification and Reciprocity Consortium (IC&RC) Alcohol and Drug Counselor (ADC) exam. Information in this section applies to both exam instruments.

**Approval Criteria:** Certified Addiction Counselor (CAC) candidates are approved to register for exam(s) when the Certification Application: Certified Addiction Counselor (CAC) is approved, which includes the following forms and specified supporting documentation.

- Certification Application: Certified Addiction Counselor (CAC)
- A copy of High School Diploma/General Equivalency degree; AA or higher degree
- Official, approved university or college transcript
- Attestation to “no criminal history” or approved criminal history per FCB policy
- Content Specific Training Verification Form and supporting documentation
- Related Work Experience Verification Form and any supporting documentation
- On-the-Job Supervision Verification Form
- 3 Professional Recommendation for Certification Forms and any supporting documentation

Individuals who want to hold the IC&RC ADC credential must also submit the $185 IC&RC test fee and additional training hours prior to being approved to sit for the IC&RC ADC exam.

**Examination Process**

Both exams are offered ONLY at computer-based approved testing sites across Florida. Computer-based testing allows candidates to register for the test at a time and location that is most convenient for them.

CAC applicants may only register for the written exam(s) AFTER they have received formal notice from the FCB that their Certification Application has been approved. The approval notice will include information to register for the exam(s); exam registration DOES NOT happen automatically.

Exam development is based on a clear and concise definition of the performance domains, job tasks, knowledge, skills and abilities necessary for competent job performance. This means that the exam is based on what an Addiction counselor does in practice. Both exams are based on statistically valid Role Delineation Studies, which identified performance domains and job tasks expected of addiction professionals.

Each exam is 150 multiple choice questions and each question is directly tied to a job task in the published Role Delineation Study Report. Applicants have 3 hours to take each exam.

Unofficial exam results are provided immediately at the testing site. Official exam results are provided to the FCB with 72 hours of the test administration: the CAC credential will be issued within 5 business days of FCB receiving official notice of passing score. *Note: the credential award date is the date that the final exam is passed, regardless of paperwork processing date.*
Individuals who do not pass the exam(s) may re-test after a 30-day waiting period from the date of taking the failed exam(s). Applicants will not automatically be re-registered to test; they must contact the FCB to schedule a new test date(s).

**Special Accommodations**

Individuals with disabilities and/or religious obligations that require modifications in examination administration must submit a written request for specific procedural changes to the FCB no fewer than 60-days prior to the desired exam administration date. Official documentation of the disability or religious issue must be provided with the written request. **Contact the FCB for directions on what constitutes official documentation and how to submit a Special Accommodation Request.** This information is also available on our website for download.

**Cancellation/Rescheduling Policy**

Candidates are required to arrive on time for their exam. Candidates who arrive late will not be permitted to test and will be charged a $100 cancellation/rescheduling fee for the C AC exam and a $185 fee for the IC&RC exam.

Candidates who cancel or reschedule their exam less than five days prior to their scheduled date will be charged a $100 cancellation/rescheduling fee for the C AC exam and a $185 fee for the IC&RC exam.

Candidates who cancel or reschedule their exam more than five days prior to their scheduled date will be charged a $25 cancellation/rescheduling fee.

---

**Test scores are valid for a three-year period.**

Individuals who allow their credential(s) to become inactive and have a test score older than three-years will be required to retest as part of the reinstatement process.
**Step 3: Credential Award**

The Certified Addiction Counselor (CAC) credential is issued within 10 business days of the FCB’s receipt of official passing test score(s).

The credential issue date is the day the applicant earned a passing score on the required exam. If more than one exam is taken, the credential issue date is the day the final exam is passed.

The CAC credential is issued for a 12-month period, and will always renew on June 30th of the renewal calendar year. Depending on the initial certification award date, first time credential holders may be certified for slightly more or less than a standard 12-month period.

- Credentials earned in June – March will renew in June.
- Credentials earned in April or May will renew the following June.

The full 12-month renewal cycle will start after the credential is renewed for the first time.

**Application Appeal Process**

When an applicant is denied certification, questions the results of the application review process, questions examination results, or is subject to an action by the FCB or its agents that he or she deems unjustified, the applicant has the right to an inquiry and/or an appeal.

An **inquiry** is when an applicant requests a written summary from the FCB that explains the reason for the action in question. A letter requesting an inquiry must be made to the FCB’s Director of Certification, in writing, within 30 calendar days of notification of FCB decision and/or action. An applicant shall be considered notified within 3 days of the date of the FCB’s notification. If the applicant does not agree with the decision and/or rationale of the FCB, he or she may request an appeal.

An **appeal** may be made to the FCB’s Director of Certification, in writing, within 30 calendar days of notification of FCB decision and/or action on the applicant’s inquiry. An applicant shall be considered notified within 3 days of the date of the FCB’s notification. The written appeal will be provided to the appropriated committee of the FCB’s Behavioral Health Advisory Council for review and action. The applicant will be notified in writing within 5-business days of the committee’s decision. The committee’s decision is final and not subject to further appeal.
Part 2: Credential Maintenance and Renewal

Maintaining a credential in good standing is very important. To further our mission of public safety, the FCB maintains a public-access database allowing verification of an individual’s certification status and ethical history. To remain in good standing, certified professionals must:

1. Actively participate in annual continuing education to maintain a current knowledge and skill base.
2. Follow the FCB Code of Ethical and Professional Conduct.
3. Complete the renewal process in a timely manner, every June.

Please carefully read this section to ensure you understand maintenance and renewal requirements.

Continuing Education

Requirement: CACs must complete 20 hours of continuing education units (CEUs) per year. One CEU is equal to 50 minutes of instruction.

Training content must be related to at least one of the CAC performance domains and CEU hours must be non-repetitive (i.e., the same course cannot be claimed more than one time during each credentialed period, even if the course was taken annually.)

Continuing education units must be earned from a FCB recognized or approved CEU training provider: some training providers hold approval from other entities that is recognized by the FCB, other training providers apply for and hold FCB Training Provider Status.

FCB Recognized Education and Training Providers: The FCB will honor CEUs issued by any of the following providers:

1. FCB approved education and training providers
2. College or university coursework offered by institutions holding Federal Department of Education and/or Council of Higher Education Accreditation (CHEA) recognized accreditation.
3. Training providers approved to offer CEUs by other state or national professional licensing or certification boards.

FCB Approved Education and Training Providers: The FCB will award FCB Education and Training Provider status and a number to approved applicants. A list of approved FCB Education and Training Providers is maintained on our webpage at www.flcertificationboard.org.

How to Document Compliance with CEU Requirements: The certified professional is responsible for maintaining CEU documentation for a minimum of 3 years, in case of audit. Valid documentation includes certificates of completion, official employer training transcripts, or college/university transcripts. CEU documentation must provide the following information:

- Applicant’s Name
- Title of course/training/educational event*
- Event sponsor/provider
- Delivery date(s)
- Number of Contact Hours

*If the event title does not clearly identify the instructional content, please attach an official description of the event, such as an agenda or syllabus.

In the absence of complete documentation, contact the training provider and request they provide you with the additional information on their official letterhead: you may submit these letters as supporting documentation of successful completion of training requirements.

**CEU Audit:** Approximately 3 months prior to the credential’s expiration date, the FCB will randomly select 20% of the certified population for a CEU audit to ensure compliance with the CEU requirement. Audited individuals will be notified of such approximately 2 months prior to the credential’s expiration date.

Audited individuals must submit CEU documentation to the FCB for review and approval PRIOR to the credential expiration date. Please note: payment of renewal fees and non-submission or denial of submitted CEUs may result in the credential being placed on inactive status.

Although only audited individuals are required to submit CEU documentation to the FCB as part of the renewal process, all CACs must maintain documentation of compliance with CEU requirements for 3 years, in case of future audit.

**How to Calculate CEU Hours:**

One CEU is equal to 50 minutes of instruction.

College coursework is credited at the rate of 45-clock hours per 3 semester hour course. If the entire course is not related to the core competencies of a Certified Addiction Professional, partial credit may be calculated for related topics covered in the overall course.

Partial-day, Full-day and Multi-day training events are credited for instructional time only. Breaks are deducted from the total hours claimed. If the total credit hours are not listed on the certificate, attach a copy of the training agenda.

Conferences are credited for break-out session and plenary sessions only. Breaks are deducted from the total hours claimed. Please attach a copy of the conference program to your application.
FCB Accept/Deny Criteria: CEU documentation will be approved if the documentation includes all required information; the training was completed between the certification award and expiration dates, and there is a clear link between the training event and the scope of service for a Certified Addiction Counselor.

Failure to meet these requirements may result in disciplinary or ethical action. Credentials will not be renewed until CEU requirements are satisfied.

Credential Renewal

Requirement: Certified Addiction Counselors must renew the credential every year, no later than June 30 of the renewal year.

Renewal Notice Process:
The FCB will send out renewal notices in April and May of the renewal year. Renewal fees must be paid and, if audited, CEU documentation must be approved no later than June 30th of the renewal year.

Individuals who DO NOT meet renewal requirements by June 30th may pay the renewal fee, a $30 late fee and must submit CEU (regardless of audit status) no later than July 31st of the renewal year.

Individuals who DO NOT meet renewal requirements by August 1st of the renewal year will be automatically placed in inactive status and must complete the FCB Reinstatement Process to recertify.
